## Music

Listen to the song, [Jacob and Two Women](#) by the late Rich Mullins. You won't understand all the singer/songwriter is sharing in this song. Nevertheless, what do you understand about the message? Underline a line or two that you like in the song. Write down other things you liked about the music and/or lyrics and how it relates to the account of Jacob and Rachel in the Bible.

"Jacob he loved Rachel and Rachel she loved him  
And Leah was just there for dramatic effect  
Well it's right there in the Bible so it must not be a sin  
But it sure does seem like an awful dirty trick  
And her sky is just a petal pressed in a book of a memory  
Of the time he thought he loved her and they kissed  
And her friends say "Ah he's a devil"  
But she says "No he is a dream"  
This is the world as best as I can remember it

Now Jacob got two women and a whole house full of kids  
And he schemed his way back to the promised land  
And he finds it's one thing to win 'em  
And it's another to keep 'em content  
When he knows that he is only just one man

And his sky's an empty bottle and when he's drunk the ocean dry  
Well he sails off three sheets to some reckless wind  
And his friends say "Ain't it awful"  
And he says "No I think it's fine"  
And this is the world as best as I can remember it

Now Rachel's weeping for the children  
That she thought she could not bear  
And she bears a sorrow that she cannot hide  
And she wishes she was with them  
But she just looks and they're not there  
Seems that love comes for just a moment  
And then it passes on by

And her sky is just a bandit  
Swinging at the end of a hangman's noose  
'Cause he stole the moon and must be made to pay for it  
And her friends say "My that's tragic"  
She says "Especially for the moon"  
And this is the world as best as I can remember it  
And this is the world as best as I can remember it"

**Memorize:** Recite all the OT books of the Bible to your parents/SS Teachers

**\*Genesis Main Point:** God made everything good. It quickly falls apart due to the sinfulness of mankind. (Chpt 3) The rest of Genesis shows God's plan to rescue and bless his rebellious world through Abraham's family, ultimately pointing to the ultimate rescue through God's own Son, Jesus.
