Sermon Notes

Three things we learn from James 5:7

1. If necessary, we must be patient until the Lord returns.
2. It uses God's patience as a model.
3. It speaks to being patient FOR the Lord's coming.

ESSENTIALS

**St. John is a church worth going to every week
Because ...**

St. John is a Great Place to Raise Your Family in Faith!

Calling all Children! Bring Your Backpack on 8/21

Kids bring your backpack to service so that we will pray over the backpacks and the children. Each child will receive a keychain with a bible verse on it as well.

Back to School Bash

St. John is planning day of fun for children of all ages. The event will be from 11am to 3pm. We will have a water slide, snow cones, popcorn, baby pools etc. We are asking the youth to help work the event until 3. After they help clean up the event, we will have a water balloon fight with the youth.

Confirmation REGISTRATION

A link to register for either 7th grade or 8th grade classes (and order supplies) will be activated next week on our website. You can get a sneak peak at the schedules on our website too. Questions? Contact Pastor Doria Jdoria@stjohn.tv

Next Week August 14

Our culture says to look out for #1 (yourself). God's Word tells us to look to God above all things. Psalm 46:10 is one of many scriptures about God's sovereignty submitted as part of our series. Join us next Sunday as Pastor Jeff helps us to "Be still and know He is God."
