

**Are you prepared ?
Have you made appropriate arrangements so
your loved ones will not have any extra burdens
after your death?**

St. John Lutheran Church, Cypress, Tx. established a beautiful cemetery at 19520 Lutheran Cemetery Road in Cypress in 1878 and dedicated it to church members. Why not check out the cemetery and consider joining the Cemetery Association? Any one of the Executive Committee will be happy to answer any questions you may have and provide a copy of the by-laws to you. The church office can provide you with the names of the current officers. There are two meetings a year – the first is held on the first Sunday in March and the second one is held on the second Sunday in September – watch for the dates and times prior to each meeting. Please feel free to contact an officer for further information and/or feel welcome to join us at the next meeting!
