Baptism Sunday

Have you or your child not been Baptized? On November 8, we'll celebrate Baptism Sunday at St. John, and we'd love for you to be part of it! Baptism is completely God's work by which He gives us the forgiveness of sins, the Holy Spirit and our new identity as His children. Whether you're ready or simply have questions, please reach out to us and Vicar Seth would love to talk with you and walk alongside you as you prepare to receive this gift from God. Contact Suellen Denis with questions or to sign up at sdenis@stjohn.tv or **scan QR Code.**

Essentials

Come Join One of St. John's LWML Organizations!

The St. John chapter of the LWML (Lutheran Women's Missionary League) is so big and active we have three different groups: Dorcas Guild, Sisters in Service (SIS), and Women in Missions.

Some of our Service Projects Include

- Creating hand sewn quilts for Abba's House and Lutheran World Relief.
- Assembling Care Kits for LW.R. which distributes them to refugees and disaster situations.
- Raising funds to support various mission projects.
- Making care packages for our military members and college students.
- Providing a brunch for our confirmation students.
- Operating the St. John bookstore.
- Family crafting events combined with service projects for our community & support of Lutheran World Relief.

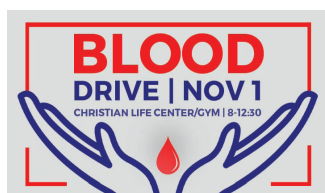

Small Change, Big Change

For the next two weeks, you are invited to give LWML Mites: small change, offered in prayer, and collected in little cardboard boxes about 2" x 3". Like the poor widow's two small coins in *Luke 21:1-4*, each gift may seem small, but together our mites will help fund \$225,000 in mission grants approved by the LWML Texas District this past June. You can pick up a box at the Connections Hub or give using the QR code, and the St. John LWML groups gather mites at every meeting as well. In two weeks, we will share the total, so you can see how your small change created big change!

Sisters in Service Photo Sessions

Capture the warmth of the season with Winter Mini Photo Sessions! Starting on October 18th, for just \$50, you will get a 15-minute session with Special Moments Photography. We are bringing a cozy winter scene right to St. John, giving you timeless images without the freezing travel. Slots are limited so **scan QR Code to reserve your session time today**. 100% of the proceeds go towards LWML Sisters In Service Missions. We cannot wait to help your family freeze these precious moments in time!
